

HHS Transportation Schedule Fall 2026

Guidelines for releasing and transporting your student:

Please check in at attendance to release your student at the designated release time. Make sure your student is at the away school’s gym at the designated time for check in. Your student will be released from the event to the approved adult at the pick up time or once the event ends. If youd like to add an approved adult to release and transport your child, please contact the school’s attendance office to add them.

If you absolutely cannot release and transport your student on one or more dates please contact Coach Adam immediately.
